

SCSA MEMORANDUM

FROM: President, Shell Collectors SA

TO: Johan Marais

Appointment as Patron of the Society

Dear Johan,

It gives me great pleasure to formally acknowledge you as Patron of the Society (Shell Collectors SA, formerly the Conchological Society of Southern Africa). As discussed, the matter was deliberated by the Committee who unanimously agreed that you would meet the requirements of Patron, as set out in our Society Patron Guideline (SCSA/MEM/23).

We look forward to the continued positive contributions you will make to our Society and Conchology in general, and believe that your position will add to the Society's stature and presence within the shelling- and greater scientific community.

Sincerely,

Andre Meredith
President, SCSA
